

# TREATS ON ELASTICITY

Moderated and produced by Hester Aardse and Astrid van Baalen from the Pars Foundation

You are warmly invited to join a lively evening on elasticity in form, theory and practice. The evening will feature talks and performances by a selection of artists and scientist on the subject of elasticity.

Indulge your curiosity and stretch your imagination with:

## Yoko Seyama & Lyndsey Housden

Installation artists: *a state of flux*

## Nick White

Condom expert and Technical Risk Director at SSL International:

*A Material of Choice?*

## Mayke Nas

Composer/performer: *Anyone can do it*

## Didier Fiuza-Faustino

Architect, Bureau des Mésarchitecture:

video performance *(g)host in the (s)hell*

## Fiona Sampson

Poet: will read from her latest collection *Rough Music*

## Jolyon Brewis

Architect and Managing Partner of Grimshaw-Architects: *In Elastic City*

## Daniel Glaser

Neuroscientist: *Imaging the elastic brain*

The surprising combination of these talks and performances will make this evening a real **Treats on Elasticity**.
